# Polycom® VVX® 401 and 411 Business Media Phones

A color midrange business media phone for today's office workers and call attendants delivering crystal clear communications

The Polycom® VVX® 401 and 411 Business Media Phones are expandable color business media phones that deliver crystal clear communications, enhanced collaboration and personal productivity.

### Simplicity and ease of use

The VVX 401 and 411 Business Media Phones bring high-quality, cost-effective solutions to front-line staff handling a moderate volume of calls through advanced unified communications (UC) telephony features. The intuitive color user interface of the VVX 401 and 411 Business Media Phones make navigation easy and require minimal training.

### Unsurpassed voice quality and clarity

The VVX 401 and 411 Business Media Phones deliver breakthrough Polycom® HD Voice™ quality for lifelike conversations while minimizing fatigue, making calls more efficient and productive.

### Maximize productivity

Give your front-line staff the best experience with this high-quality, 12-line color business media phone. The VVX 401 and 411 Business Media Phones improve personal productivity by complementing the workplace applications on the computer. Users can view and manage their Microsoft Exchange Calendars, receive meeting reminders and alerts, access the corporate directory and instant messaging/presence status right on their phone display, even while waiting for their PC to boot. They can also extend their PC's desktop to include the VVX 401 and 411 Business Media Phones' screen for mouse/keyboard navigation and interaction.

### Best-in-class deployment and administration

The VVX 401 and 411 Business Media Phones are easy to deploy and simple to manage. Using an enterprise-grade, Web-based configuration method allows administrators to easily provision and maintain even a large number of phones throughout the entire organization.

### Customizable and expandable

The VVX 401 and 411 Business Media Phones provide personalized information at a glance, through built-in Web applications and custom backgrounds. The VVX 401 and 411 Business Media Phones also come ready for future expansion modules as your users' needs and business grow.

### Market-leading open standards interoperability

Designed for enhanced interoperability, the VVX 401 and 411 Business Media Phones leverage and complement the other existing IT investments in your business. With the broadest call server interoperability in the industry, the Polycom VVX 401 and 411 Business Media Phones can become the flexible and future-proof foundation for any organization's UC strategy.
